- Finalization of Bootstrap 5 updates

Security Updates

Security Updates

Remote Unauthenticated Code Execution Vulnerability in OpenSSH server

It was discovered that [OpenSSH incorrectly handled signal management](#). A remote attacker could use this issue to bypass authentication and remotely access systems without proper credentials.

In-depth info at:

<https://blog.qualys.com/vulnerabilities-threat-research/2024/07/01/remote-unauthenticated-code-execution-vulnerability-in-openssh-server>

Upstream “supply chain vulnerability”

For users of Virtual Y, Activity Finder, and other Website Services “in-page applications”:

In February (WS 10.3.2), we released an important patch available that [fixes a major JavaScript issue](#) that can cause Virtual Y, Activity Finder, or Group Schedules not to load. The issue which was theoretical at the time has [now been reportedly exploited](#), affecting 100K+ sites.

If they have not already, please ask your agency partners to incorporate the patch in that issue as soon as possible.

[More information in the docs](#)

In-depth info at polykill.io

Mitigation across common hosting providers

	OpenSSH	Polyfill
Acquia (https://security.acquia.com/)	Unaffected	Requires code update
Pantheon	Monitoring , no known issues	Requires code update
Platform.sh	Unaffected	Requires code update
YUSA	Patched	Patched
OneEach	Patched	Requires code update

All sites maintained by ImageX, YUSA, ITCare, OneEach, 5 Jars, and JWTech have been updated to mitigate the Polyfill vulnerability!

Virtual Y Update

Virtual Y Update

- Reminder: YMCA's Virtual Experience Platform ("Virtual Y") **[sunsets on Tuesday, December 31, 2024.](#)**
 - Virtual Y sites hosted with Y-USA will be decommissioned on that day.
 - Virtual Y hosted outside of Y-USA can continue to run their websites, but no code updates will happen after 12/31/24.
 - Please consider migrating to [YMCA360](#).
 - Review the [August, 2023 Community Call for the YMCA360 Introduction and Demo](#).

Virtual Y Update

"As YMCA360 evolves, it is positioned to be a great platform for mission-oriented storytelling. Y-USA recognizes Wichita YMCA's accomplishments and is working directly with the YMCA360 team to help further develop their platform. YMCA360 provides a wonderful example of Y initiative and serves as a great virtual experience platform built by the Y for the Y!" - Tom Gardner, July 2023

Virtual Y Hosted with Y-USA: How to Cancel

Open a YMCA's Digital Services Support ticket

- Login to your Virtual Y website with your Site Owner user account.
- Click on Manage → Configuration.
- Scroll to the bottom.
- In this section, click the **Submit a support ticket** link, fill out the form stating your intent to cancel, and specify which date should be the last date of operation.

Y CLOUD SUPPORT

If you are experiencing issues with your Virtual Y site that require escalation

- During Onboarding: Email ycloud@ymca.net
- After going live: [Submit a support ticket](#)
